MAKEUP HOURS

Students can make up hours during posted times when the student is not normally scheduled for attendance. Make up time is only available after the Adaptive portion of the program is complete. Make up time will only be allowed for students until a cumulative attendance percentage of 100% is achieved. All make up hours must be pre-approved by the Future Professional Advisor, Educational Leader, or Financial Service Leader. Students must complete a Future Professional Make Up Request Form indicating the date, time, activity completed, and the name of the Learning Leader who supervised the make up time. If a Future Professional is approved for Make Up Time and does not show, they will lose privileges for Make Up Time the following week.
